

# 华语入门证书 Certificate in Gateway to Mandarin

## Introduction

*Learning Mandarin is the stepping stone towards understanding China. Gateway to Mandarin is designed to introduce practical conversational Mandarin to beginners through social and thematic context. This course adopts the Chinese Phonetics - Hanyu Pinyin as the basis to learn how to pronounce and to speak Mandarin. Lessons will be taught in an interactive manner and exercises for conversation practice among learners are conducted and facilitated by the teacher during the lesson. General Chinese cultural knowledge will also be shared in class for students to have a broader view and deeper appreciation of the language.*
